

## MEDICAL RELEASE / PARENT CONSENT FORM

The undersigned, being a parent or legal guardian of the child requesting clinic, training program or camp admittance, does hereby affirm that the applicant is in good health and suffers from no illness, disability or condition that requires the taking of medication on a regular basis unless that condition is disclosed and approved. Furthermore, the undersigned has no knowledge of any reason the applicant cannot participate in vigorous physical activity.

The undersigned hereby expressly agrees to be responsible for any medical bills incurred in the treatment of any illness or accident. In the event of any such accident or injury, I hereby consent to allowing any member of the camp staff to procure any medical treatment deemed advisable on behalf of my child or ward without prior consent.

I understand that, as a condition of admittance as a participant, the undersigned, on behalf of all parents and guardians, and on behalf of the applicant, hereby releases HGA Camps, Gerald Hare, and his coaching staff from any and all liability from injury or illness, mental or physical, suffered by the academy participant during or related to the clinic, training program or camp, unless caused by a willful act or gross negligence by the person or entity against whom the claim is made.

## REGISTRATION

### Goalkeeper ID Academy Clinic (in conjunction with Titan College Soccer Camps) – Girls Only

The Goalkeeper ID Academy Clinic is one-day camp offering girls who are entering 2026 Fall Grades 9-12 to train with Jerry Hare, Director of HGA and the Goalkeeper Coach at Westminster College along with Girish Thakar, Head Coach of Westminster College Women's Soccer. Current members of Westminster College Women's Soccer team will be our camp assistants. The Goalkeeper ID Academy Clinic is for the serious goalkeeper with ambitions of playing collegiate soccer. We recommend this camp for anyone who plays competitively at the club level or competes to play for the varsity team at her high school. Westminster College has a second turf field for soccer and lacrosse, which opened in 2021.

This clinic will introduce all goalkeepers to technical and tactical elements necessary to play soccer at Westminster College and the college level. The camp is specifically designed so that players are exposed to Hare Goalkeeper Academy and the Westminster College coaching staff for development and evaluation purposes. The Player Profile Form is included in the confirmation packet that will be sent out upon receipt of camper's registration.

The Goalkeeper ID Academy Clinic includes on-field instruction, campus presentation, campus tour, lunch, small-sided games and full-field games. At the conclusion of camp, you will have better understanding on what it takes to compete at the collegiate level.
